

Nando's

Nando's really needs no introduction. One of our country's best-loved restaurants, Nando's authentic PERi-PERi flame-grilled chicken is legendary (and so are their ads!) and has cemented itself in the hearts of South Africans everywhere.

How do I get it?

Using the benefit:

Log in Log in to the Multiply online shop.
Select Nando's vouchers and choose your denomination.
We will send you a voucher code within two hours of a successful order confirmation. Your voucher code will be sent via SMS or email to the contact details provided when you bought the voucher.
If you don't receive your voucher code within the two hours you can log on to the Multiply online shop and view the code against the order number. It might be delayed due to slow networks.
Present your voucher code when paying for your meal.

Benefit rules:

Nando's vouchers can be used at Nando's restaurants, on the Nando's website and on the Nando's app. Vouchers cannot be redeemed on food delivery services such as Mr D and UberEats.
Show the voucher code received via email and SMS at the restaurant to redeem the voucher.
Vouchers are valid for three years from the date of purchase.
If you do not use the full value of the voucher, no change will be given by Nando's.

However, you can re-send a voucher on the online shop if you haven't redeemed it yet.
Vouchers cannot be returned for a refund – terms and conditions from Nando's apply.
Vouchers cannot be used in conjunction with promotions.
Your purchases are subject to a R33 000 annual spend limit per family, or R22 000 annual spend limit for a single member on Premier.
Just remember that it is the full retail price and not the discounted price of your purchase that counts toward the spend limit. If you choose cashbacks instead of discounts, the full retail price you pay will count towards your spend limit.
If you select the discount, your payment due will reflect the discounted amount. If you select cashbacks, you will pay the full amount.
If you select cashbacks, your cashbacks will be transferred into your Momentum Money Savings Wallet within 24 hours.
If you're a Momentum Medical Scheme member, your cashbacks will be paid into your HealthSaver account within 24 hours.
Standard Nando's Ts & Cs apply.
