

We'd be lying if we said NetFlorist is only for special occasions, because NetFlorist actually makes any occasion special - even in lockdown! Choose from fresh produce, groceries and food gifts. There's something for everyone: him, her, them, yes... but the best part is getting up to 15% discount with Multiply, so you can afford to spoil yourself too.

Starter

Get a discount of 4%

Provider

Get a discount of 4%

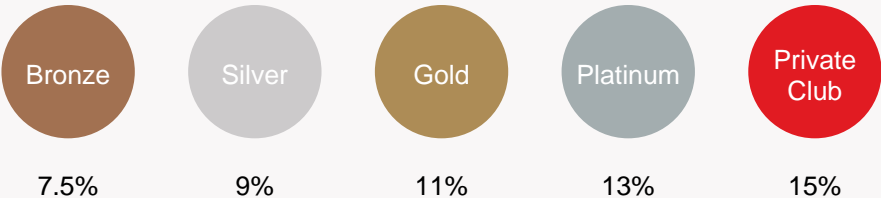

Fixed Discount

Premier

Get a discount of up to 15%

Fixed Discount

How do I get it?

Log in to NetFlorist's website.
Shop and select your product/s of choice.
Proceed to the checkout screen and click on the Multiply logo. You will need to enter your ID/ passport number to get your discount.
Pay for your order as per NetFlorist's methods of payment.

Using the benefit:

This benefit is only available to the main member and partner on the Multiply contract.
Multiply members are not allowed to transfer the benefit to non-Multiply members.
All purchases must be completed on the NetFlorist website.
Your discount will apply to all products sold on the NetFlorist website, but does not apply to the delivery fee.
Multiply discounts will not apply to any products that have been purchased on the NetFlorist mobi site / app.
The delivery fee will be in accordance with the NetFlorist delivery terms and conditions.
All product prices include VAT.
You will no longer have access to this benefit if you cancel your Multiply membership.
Please contact Multiply if your discount is not applied correctly.
Standard NetFlorist terms and conditions, warranties and return policies apply.

Partner rules:

Please note: Terms and conditions about this partner and their services are subject to change from time to time without prior notice. It is your responsibility as a member to locate, read and make sure that you thoroughly understand all the rules and regulations about the use of this partner services and products before using the partner benefit. You can consult the partner website and the Multiply client call centre. Multiply will do their best to make sure that all the information about the partner rules and regulations included in the terms and conditions are correct. However, Multiply cannot guarantee the accuracy of the information.
For comprehensive partner terms and conditions, please visit
