All quoted prices include VAT.

If you select the discount instead, your payment due will reflect the discounted amount. If you select cashbacks, you will pay the full amount.

If you are a Multiply Premier member your discounts and cashbacks available in any calendar year from January to December will always depend on your Multiply status.

Your purchases are subject to a R33 000 annual spend limit per family, or R22 000 annual spend limit for a single member on Premier level.

Just remember that it is the full retail price and not the discounted price of your purchase that counts toward the spend limit. If you choose cashbacks instead of discounts, the full retail price you pay will count towards your spend limit.

If you select cashbacks, your cashbacks will be transferred into your Momentum Money Savings Wallet within 24 hours.
