# How do I get it?

Using the benefit:

Purchases can be made through [multiplyonlineshop.co.za](https://multiplyonlineshop.co.za) Multiply Online Shop by logging in to the website and going to the SweatGear products. Purchases will be delivered to the delivery address specified.

Benefit rules:

Annual spend limit rules will be applied to the gross value (before discount) of goods purchased.  
A standard delivery fee per order will apply: 0-2kg = R75, 2kg – 5kg = R90, above 5kg = R150.  
If you purchase more than one product at the same time, the weight of both products will be added to provide one weight. For example, should the first product be 2kg and the second product 1kg, the combined weight for both products will be 3kg = R90,00. This rule will further apply when products are purchased from different brands.  
The final weight of the product/s will be visible on the checkout page, prior to payment.  
The weight of each product can be found under the heading – Technical Specifications.  
The weight of each product is provided to the Multiply online shop by the supplier. Multiply will not be liable for incorrect weight determinations.

Delivery fees are only charged on physical items.

All quoted prices include VAT.  
If you choose the discount, your payment due will reflect the discounted amount.  
If you choose cashbacks, you will pay the full amount.  
Your available savings (discount/cashbacks) in any calendar year from January to December will always depend on your Multiply status.  
Your purchases are subject to a R33 000 annual spend limit per family, or R22 000 annual spend limit for a single member on Premier level.  
Remember that it is the full retail price and not the discounted price of your purchase that counts toward the spend limit. If you choose cashbacks instead of discounts, the full retail price you pay will count towards your spend limit.  
If you choose cashbacks, your cashbacks will be transferred into your Momentum Money Savings Wallet within 24 hours.  
View the cashbacks that have been paid into your Momentum Money Savings Wallet when you log in.  
If you're a Momentum Medical Scheme member, your cashbacks will be paid into your HealthSaver account within 7 days.
